At **Zingela Safaris**, nothing is more important than our clients' health and safety. Although we do everything possible to ensure our clients have a safe experience, unavoidable accidents do happen. An illness or injury while traveling remotely could require a medical evacuation costing over \$100,000. That is why we want to strongly recommend that you protect yourself with **Global Rescue**, the leading provider of medical evacuation and response services.

YES! Please enroll me (and my family) in Global Rescue for this trip.

I, _____, **DO NOT** want to purchase a Global Rescue membership for this trip. I understand that an evacuation could cost over \$100,000, is not covered by insurance and may not be available without Global Rescue. I agree to pay these costs and arrange for my own evacuation if required. I forever release, discharge and hold harmless **Zingela Safaris**, its employees, guides and partners from any liability resulting from my need for emergency evacuation.

Selecting a Membership Plan

Global Rescue is the premier provider of medical, security, and evacuation services worldwide. Their deployable teams of physicians, paramedics and special operations veterans will get to you wherever you are, by any means necessary, and bring you home.

Type of membership:

Individual Membership: For individuals up to age 75 (Memberships for travelers between 75 and 85 are available - call 1-800-381-9754 for details).

Family Membership: For individuals, their spouse (or domestic partner) and up to four dependent children under age 18 (or under age 23 if full-time students).

Duration of membership:

Short-Term Membership: Available for single trips in durations of 7, 14, and 30 days.

Annual Membership: Membership for an entire year when you are more than 160 miles from home. The standard membership plan allows an unlimited number of trips of up to 45 continuous days each. Other options are available that allow trip lengths of 90, 180, and even a full 365 days. Multi-year rates are also available. Call 1-800-381-9754 for details.

Membership services:

Medical Only Membership: Services include field rescue, medical advice from Johns Hopkins Medicine, 24/7 emergency support from experienced critical-care paramedics, evacuation aboard medically equipped private aircraft or with medical crews aboard commercial flights, and repatriation of mortal remains.

Medical and Security Membership: In addition to the medical services listed above, these memberships provide extraction services for security and non-medical emergencies, in the event of war, natural disaster, civil unrest, terrorism, or other situations that could cause imminent grievous bodily harm.
